**REHABILITATION OF EIGHT BOREHOLES IN SOROTI DISTRICT, UGANDA.**

On behalf of the people of Soroti district, and the Water office, I would like to extend our heartfelt appreciation to you as an individual and also to all those who gave you the resources that have enabled you to carry out the above rehabilitation, may God bless you abundantly, Amen.

Next time, when the resources allow you, please come again and save the lives of our people, for, without clean water, it also means disease and death.

When you get back home, send our greetings.

Yours faithfully,

  
Egwangu Richard  
Assistant Engineering Officer  
c.c. Civil works file.
